

2009 MIAMI ISCM CHAPTER COMPOSITION COMPETITION RESULTS

New Music Miami Festival Series featuring the NODUS Ensemble

The Miami ISCM Chapter received over 75 scores from more than 50 composers from different parts of the world for the 2009 New Music Miami ISCM Festival Series competition. The panel was very impressed with the overall quality of the works submitted. As a result of the judging, the following works will be presented by the NODUS Ensemble at the 2009 New Music Miami ISCM Festival Series:

Among Gardens
solo piano

Chiayu Hsu (Taiwan)

Attabi
clarinet and live electronics

Allison Ogden (USA)

Penumbra
clarinet, string trio, and piano

Luke Dahn (USA)

The three works are scheduled for performance at the closing concert of the Festival, taking place Sunday, May 3 at the Miami Art Museum. We congratulate the composers whose works were selected and thank all composers for their submissions. Many excellent works were not selected due to programming and other related considerations.

The call for scores for the next World Music Days submissions will be made in the spring 2009 (US composers only) and the call for the 2010 New Music Miami Festival Series competition will be available in the summer of 2009.
